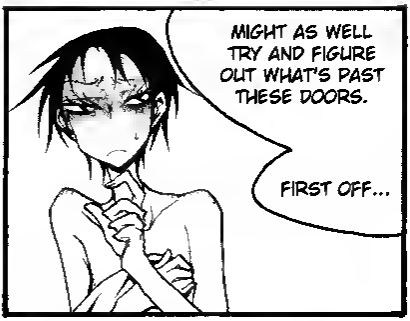
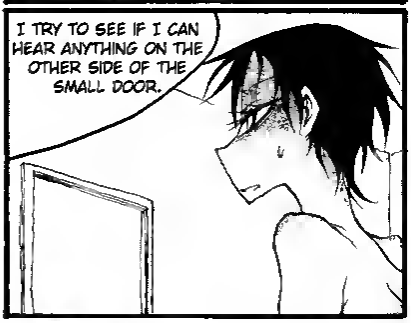
Calm Down

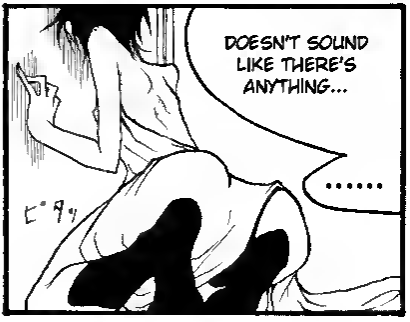
Small Door & Big Door

Small Door

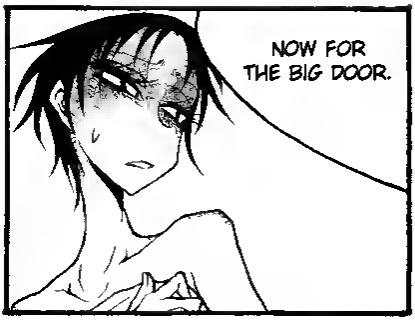
What do you do?

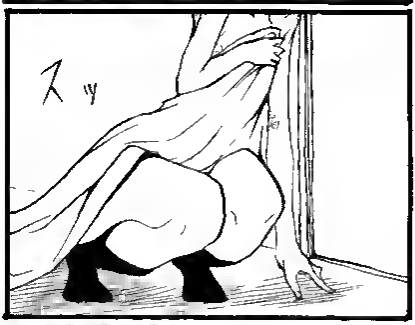




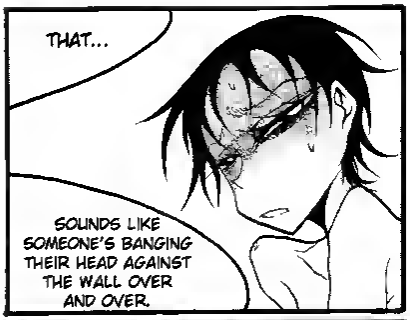


Big Door

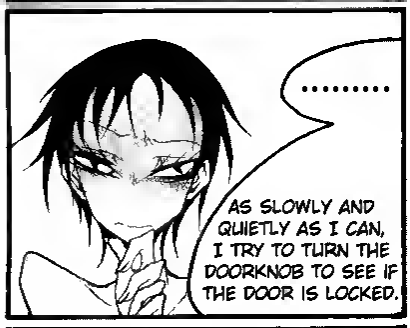


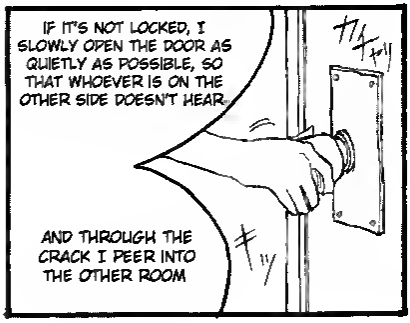


Badger



How do you... I mean what do you do next?



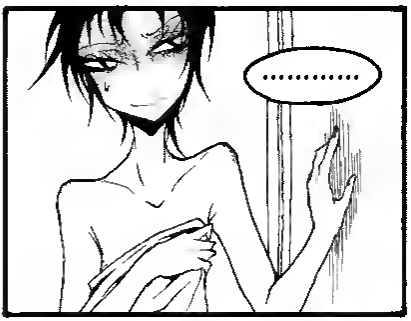


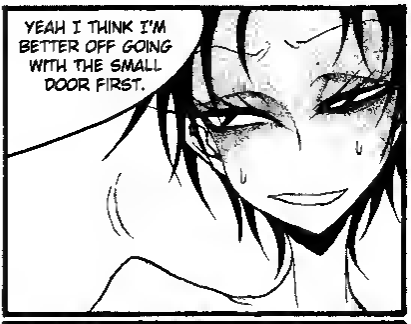
is what it was

It doesn't appear to be locked.

ゴンゴッゴンゴッゴンゴッ

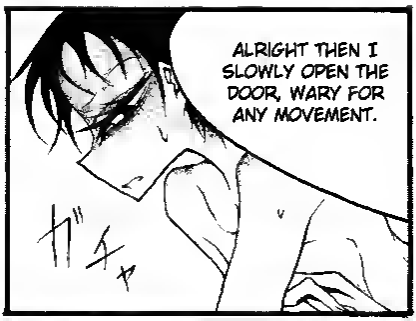
Noise



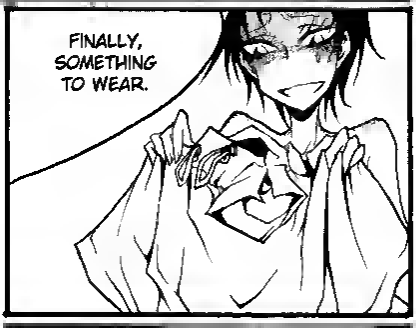


It doesn't appear like there's anything moving on the other side.

Hospital Gown x1



Past the door you find a closet containing a Hospital Gown.



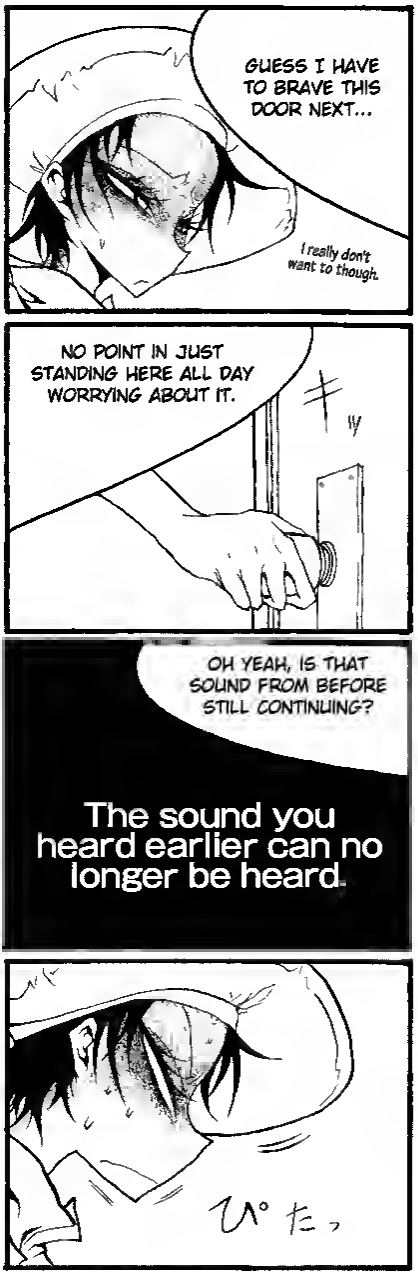
IS THERE ANYTHING ELSE THERE?

You find nothing else.

AWW...

Change Complete

Huh?



GUESS I HAVE TO BRAVE THIS DOOR NEXT...
I really don't want to though.
NO POINT IN JUST STANDING HERE ALL DAY WORRYING ABOUT IT.
OH YEAH, IS THAT SOUND FROM BEFORE STILL CONTINUING?
The sound you heard earlier can no longer be heard.

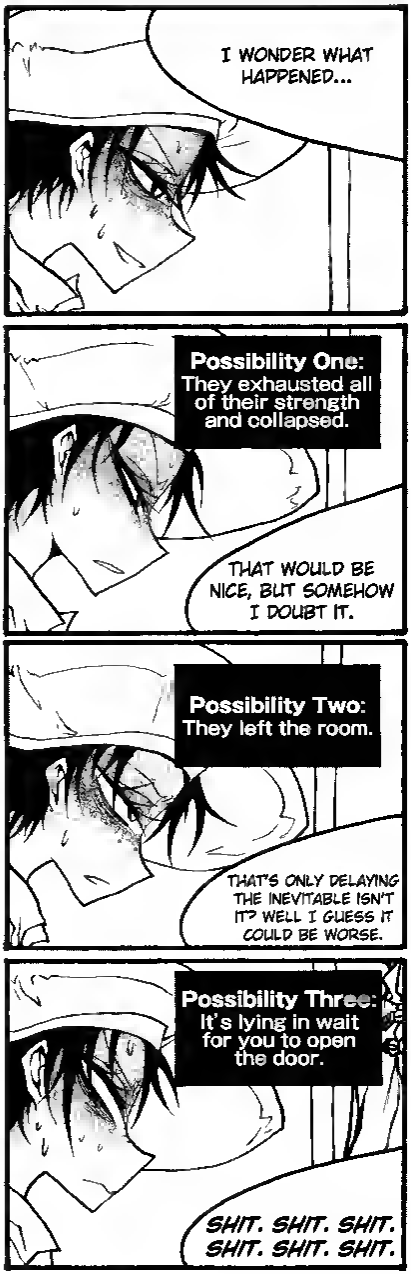
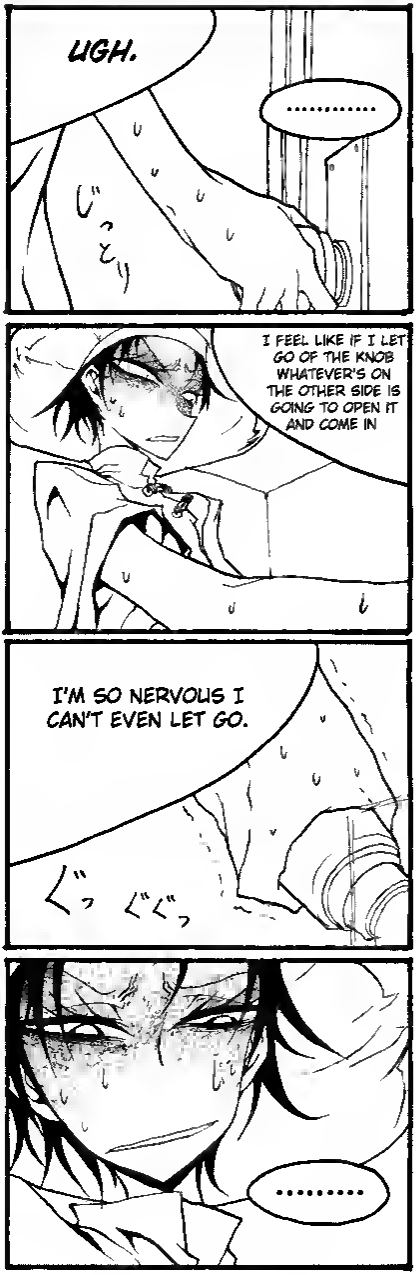
Prediction



I WONDER WHAT HAPPENED...
Possibility One: They exhausted all of their strength and collapsed.
THAT WOULD BE NICE, BUT SOMEHOW I DOUBT IT.
Possibility Two: They left the room.
THAT'S ONLY DELAYING THE INEVITABLE ISN'T IT? WELL I GUESS IT COULD BE WORSE.
Possibility Three: It's lying in wait for you to open the door.
SHIT. SHIT. SHIT. SHIT. SHIT. SHIT.

What Now?

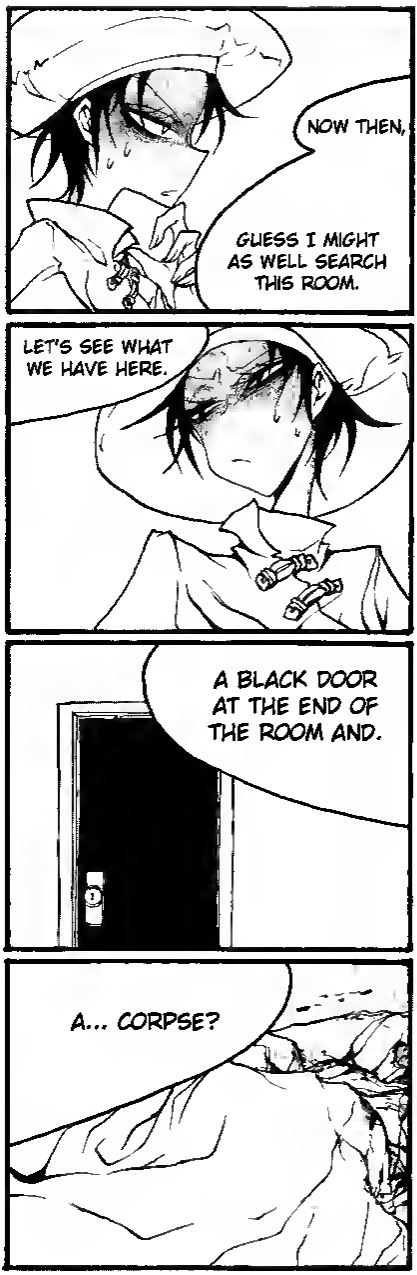


UGH.
.....
I FEEL LIKE IF I LET GO OF THE KNOB WHATEVER'S ON THE OTHER SIDE IS GOING TO OPEN IT AND COME IN
I'M SO NERVOUS I CAN'T EVEN LET GO.
.....

[1]

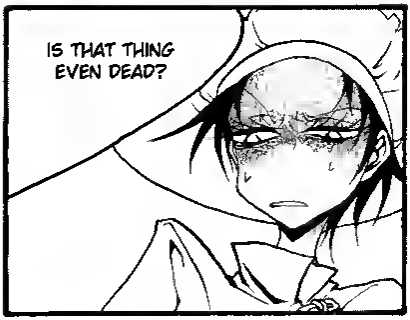
FUCK IT, I'M GOING IN!
ガチャッ
THANK GOD...
THOUGH THIS IS RATHER CREEPY IN IT'S OWN WAY.
I'm in here with a corpse.

Which Way?



NOW THEN,
GUESS I MIGHT AS WELL SEARCH THIS ROOM.
LET'S SEE WHAT WE HAVE HERE.
A BLACK DOOR AT THE END OF THE ROOM AND.
A... CORPSE?

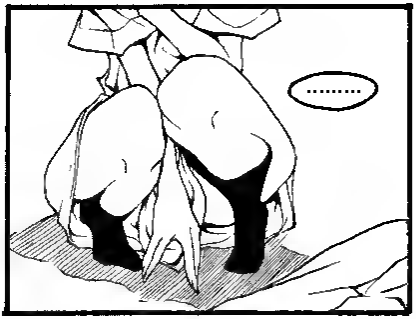
That's a bit...



His face is so badly damaged that you can't even tell if it belonged to a human.

Just from looking at him you can surmise that he's probably dead, but you can't know for sure unless you physically examine him.

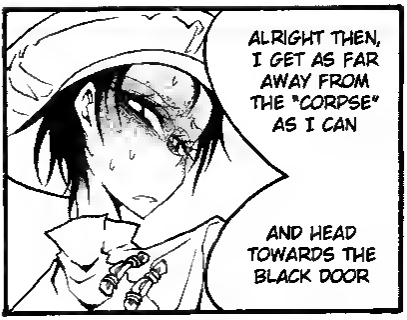
Injection

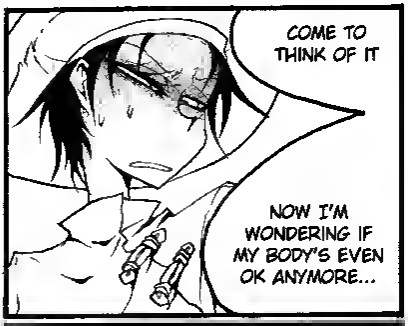


You find traces of a large amount of needle injections on his arm.

WHOA.

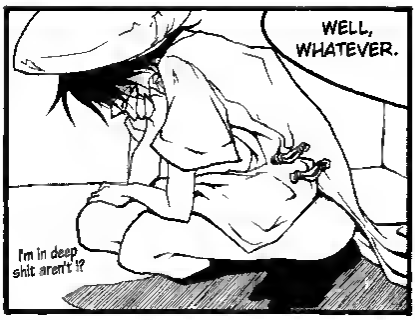
Hey...

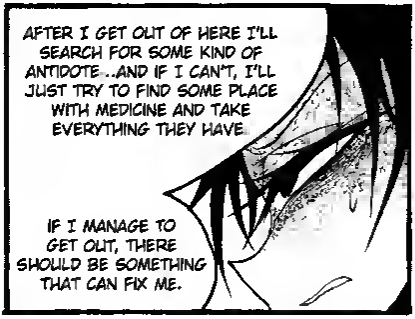




You notice there are traces of needle injections on your arm as well.

Hody Jones?





AFTER I GET OUT OF HERE I'LL SEARCH FOR SOME KIND OF ANTIDOTE...AND IF I CAN'T, I'LL JUST TRY TO FIND SOME PLACE WITH MEDICINE AND TAKE EVERYTHING THEY HAVE.
IF I MANAGE TO GET OUT, THERE SHOULD BE SOMETHING THAT CAN FIX ME.

Jeez

You don't hear anything. As far as you can tell, there's nothing in the vicinity of the door on the other side.

ONCE AGAIN I VERY SLOWLY OPEN THE DOOR.

As you are about to open the door, from the edge of your vision you see the "Corpse" get up again.

I KNEW IT!

Trapped

The black door appears to be locked. You are unable to open it.

WHAT!?

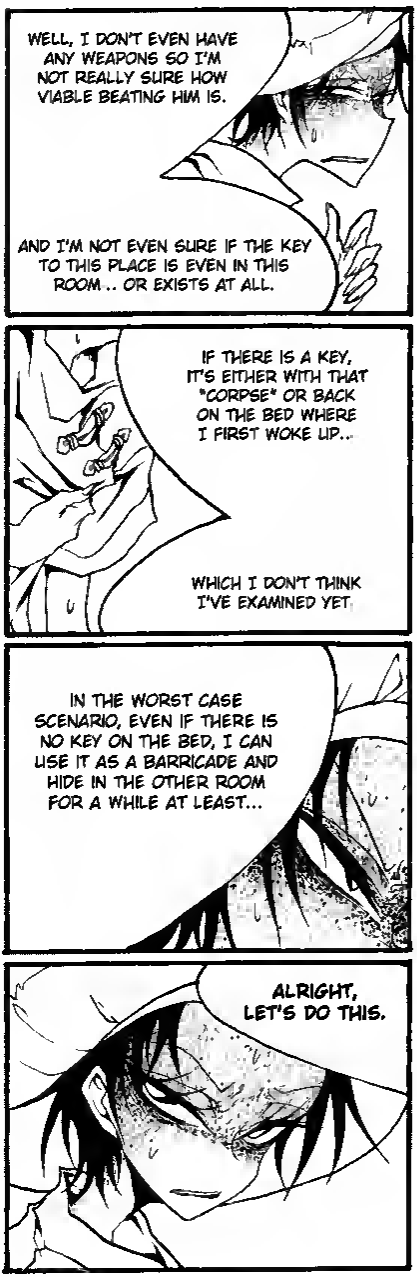
You see a large number of parasyte-esque things begin to crawl out of the "Corpse's" ruined face.

AHHH—

About to Be Eaten

CALM DOWN... IT'S ESPECIALLY IN TIMES LIKE THESE THAT I NEED TO REMAIN CALM.
I HAVE TWO OPTIONS HERE.
TRY TO BEAT HIM,
OR FIND THE KEY AND ESCAPE.

Decision



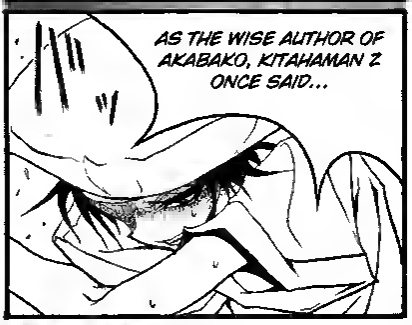
WELL, I DON'T EVEN HAVE ANY WEAPONS SO I'M NOT REALLY SURE HOW VIABLE BEATING HIM IS.
AND I'M NOT EVEN SURE IF THE KEY TO THIS PLACE IS EVEN IN THIS ROOM .. OR EXISTS AT ALL.
IF THERE IS A KEY, IT'S EITHER WITH THAT "CORPSE" OR BACK ON THE BED WHERE I FIRST WOKE UP..
WHICH I DON'T THINK I'VE EXAMINED YET.
IN THE WORST CASE SCENARIO, EVEN IF THERE IS NO KEY ON THE BED, I CAN USE IT AS A BARRICADE AND HIDE IN THE OTHER ROOM FOR A WHILE AT LEAST...
ALRIGHT, LET'S DO THIS.

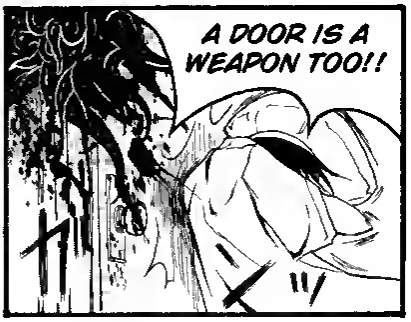
Has Been Made

You manage to run past the Corpse and make it to the door but

the Corpse reacted to your footsteps and is now chasing you.

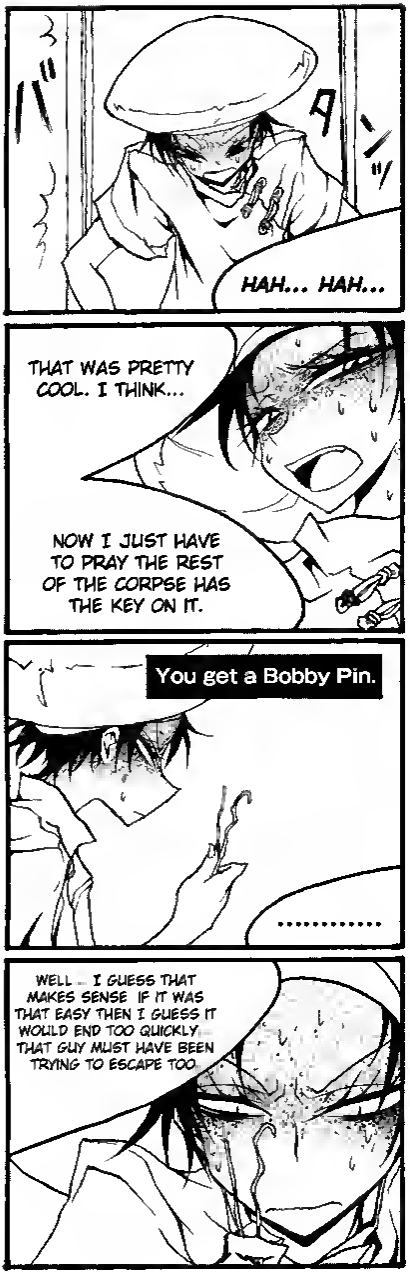
What do you do?





Coiling Around

If I Could Just Buy Some Time



HAH... HAH...
THAT WAS PRETTY COOL. I THINK...
NOW I JUST HAVE TO PRAY THE REST OF THE CORPSE HAS THE KEY ON IT.
You get a Bobby Pin.
.....
WELL... I GUESS THAT MAKES SENSE IF IT WAS THAT EASY THEN I GUESS IT WOULD END TOO QUICKLY. THAT GUY MUST HAVE BEEN TRYING TO ESCAPE TOO.

Level One Cleared

THE GAME STILL CONTINUES.
